

On This Side Of The Sun

By Phat

FORGOTTEN MAN—Sunday is another D-Day. Dad's Day. That's the day the Forgotten Man is remembered. . . Have been trying to think all week of songs about Father which are not of a derogatory nature such as "Everybody Works But Father" or "Father, Dear Father, Come Home With Me Now." . . . Think there was one something like "Daddy, You've Been a Mother to Me," also "Dear Old Dad . . . The Old Man takes a lot of ribbing and the Superior Sex accuses him of a lot of things—but they couldn't get along without him. They all love him—at least, so it says here.

WOMEN—Speaking of the Superior Sex, remember the cracks they used to make about women drivers? Forget them all. A woman, Delphine L. Smith, is editor of a national motoring magazine. Which same fact caused the chairman of my Committee for Emancipation of Man to remark: "The champion back-seat driver!" . . . Anyway, while leaning on a Pedestrian Stop sign in the middle of Palm Canyon drive the other day to let two scowling men drivers zoom past, I finally made it across when the third driver, a woman courteously slowed down and waved me on.

QUAKES—This week it was again demonstrated here that there's always a silver lining. An army wife whose husband is in the fighting in Italy, had been waiting weeks for a letter from him. Monday she was about to depart for home after the season here. Came that series of little shake-ups which kept her awake, result being she overslept and missed her travel arrangements. In the three days she had to stay before again getting accommodations, she received six long, delayed letters from her mate, and can't see anything so bad about a little earthquake. . . One of the good republicans of the Village claims what we felt Monday and Tuesday were just reverberations of democratic sessions in Texas, Mississippi and Virginia.

MUSIC—The Chamber of Commerce thinks I should include "Powder Puff Cowboy" in my Hit Parade. The last two words in the chorus are "Palm Springs." . . . Ted Reed has found a Gull Guy. Everytime he finds a Gull Lombardo record in a new shipment he writes out the sales ticket even before he calls me up . . . when my Swing Musician Son reads that he's going to hang his head in shame . . . He's always maintained that to understand modern "hot" music you either have to know a lot about music—or nothing at all. In other words, be a high-brow or the other extreme. So if you scoff at your offspring's taste in music, you're just a middleman.

TRAFFIC—Surveys indicate traffic deaths per mile travelled are three times as high at night as during daylight hours and that three out of every five fatalities occur in night time. In 1942, say statisticians, 75,000,000 man-days could have been saved with good street lighting—enough to build 90 destroyers, 17,500 fighter planes or 3,500 heavy bombers. . . It has been said that the reason there are so many pedestrian accidents now is because people do not know how to walk, they've been riding autos too long. Dumped on to the street by lack of gas or tires, they are being clipped and mowed down by those autoists still with gas and tires—and it's not always the autoists' fault.

FLAG DAY—Wednesday was Flag Day here—but you wouldn't have known it from the number of flags shown here. . . Who designed the nation's flag? Betsy Ross, or did she just make the first one along lines submitted by George Washington, Ben Franklin and others? . . . It was originally planned to add a star and a stripe for every state admitted. If that plan had been followed the flag would now have more bars than Palm Springs. . . Capt. Jesse C. Bales of Mira Loma Quartermasters depot which also supplies flags for the army as well as food and clothing says the largest flag is in Detroit. It's 90 by 270 feet, cost \$2,700, takes 70 men to raise it in the proper manner and is unfurled but once a year—on Armistice Day.

THOUGHTFUL—Bill Hillery contributes this week's yarn. It's about a patient who coming out of the ether in a hospital, complained about the shades in the room being drawn. "There's a fire across the street," explained the surgeon, "and we didn't want you to think the operation was not a success."

Early Action Brisk in Fifth Loan Drive

Prominent Villager Succumbs

Heart Attack Fatal to Abe Goldberg At Home of Daughter

Suddenly stricken late Saturday afternoon, Abe Goldberg, prominent Village hotel apartment man with extensive holdings here and in Los Angeles, succumbed following a heart attack at the home of his daughter, Mrs. Lillian Freeman in Pasadena that evening. He was 57 years of age.

Mr. Goldberg had only last week added the El Morocco hotel, 336 North Palm Canyon drive, to his holdings. He also owned the La Sesta apartments and other property here.

IN GOOD HEALTH

Last Saturday morning he left for Los Angeles on business and to visit his daughter in Pasadena. He was apparently in the best of health when he left the Village. En route to Los Angeles the automobile he was riding in was involved in an accident but he escaped unscathed and proceeded on to Los Angeles.

Besides his wife, Mrs. Esther Goldberg, he is survived by two daughters, Mrs. Freeman and Mrs. Mary Adams and a son, Mortell, who recently won honors at Desert School district graduation exercises.

FUNERAL TUESDAY

Mrs. Goldberg is expected back in the Village for a few days at the end of the month and then will leave for the summer, planning to return in the fall.

Mr. Goldberg had a strong faith in the future of Palm Springs and expressed this faith with sound investments here. He was a native of Jerusalem, Palestine, coming to America when still young.

Funeral services were held Tuesday afternoon at 3 o'clock at the Home of Peace Mausoleum, Mallnow and Simons, directors. Rabbi Neches presided.

From Now On Call Him Capt. Maxwell

From now on address his as CAPTAIN James R. Maxwell.

For this week the popular public relations officer at the 21st Ferrying Group base here, Bob Maxwell exchanged his single first lieutenant's bars for the double bars of captain.

Major Albert E. Higgins personally pinned on the new double bars and said it was a great satisfaction to do so.

And it will be to all Villagers who know Capt. Bob Maxwell.

Mr. and Mrs. H. E. (Pat) Patterson, and son Jack, are now in San Jose where they will spend the summer.

Needs No Weapon to Kill Coyote

M/Sgt. Mel Capper of the Army Air Base says revenge is sweet. He knows.

A week or so ago the Capt. Capper, who recently bought a ranch, lost a pet cat to a coyote. Sgt. Capper who never liked coyotes, anyway, now held a double grudge.

The other day, with Ray Cree, Sgt. Capper was looking over his ranch when Cree's dog spied a coyote and took off in the chase. Sgt. Capper joined in and, in one of his mad circles to elude the dog, the coyote ran a bit too close to the army man.

Sgt. Capper did a perfect power dive and came up with his hands around the coyote's neck. Thinking of that pet cat, he tightened his grip.

They buried the coyote on the lone prairie.

Recreation Director to Give Up Job

R. H. Bennett Turns In Resignation Effective June 30

R. H. Bennett, recreation director for the past year and in charge of the municipal pool at the Cutler estate last summer, his week tendered his resignation to the Recreation Commission.

He said he wants to terminate his duties on June 30. The resignation will be presented to city council next Wednesday evening.

PLANS FOR POOL

In the meantime, however, he went ahead with plans to open the municipal pool at the Cutler home on Tuesday, June 20. Hours, for the present, will be from 1 to 5 p. m.

Opening of the pool, said City Manager Ray M. Sorum under whose jurisdiction it was placed by council, is contingent on the weather. If cool days continue, the opening may be delayed a few days.

During the present cool spell the pool will not be opened evenings. Future hours depend upon weather conditions and during July and August, evening hours will probably be established. The pool may also be opened mornings twice a week later.

IN CHARGE TO JUNE 30

Mr. Bennett will be in charge of operations up to the date of his resignation, June 30, he said.

Corporal Herb Pulata of the army air base an experienced swimmer, will serve as life guard and the cleanliness of the pool will be in the hands of Maurice Libbott again this year.

The pool will be closed on Mondays.

MAKES POOL POSSIBLE

Frank W. Cutler, of the Recreation Commission and long interested in recreational affairs here, again made possible a municipal pool through his generosity in donating use of his private pool, fully equipped with all standard health devices, to the city for the summer months.

The plan was a great success last year.

Signs are being posted directing the public to the grounds which are at 348 Merito place.

Boys At Air Base Could Use A Few More Books, Please

Miss Edith Shumacker, librarian at the Palm Springs army air base, this week sounded an appeal for books.

Villagers are urged to donate books they have finished or new books to the base. These donations may be left at the Chamber of Commerce building, 310 North Palm Canyon drive.

Masonic Club Will Meet Tuesday, June 27

F. V. Shannon, president of the Palm Springs Masonic club, announced that the club would meet on Tuesday, June 27, at the Del Tahquitz hotel and urged all local Masons and visiting Masons to attend.

Reservations may be made by calling W. R. Hillery at 3417.

Plaza Theatre Is Closed For Summer

If you want to see the latest in films—you'll have to go to the Palm Springs theater.

Earle Strebe owner, and brother, George manager announced today that the Plaza theater will close for the summer tonight but that the air-conditioned Palm Springs theater one of the coolest spots in the Village, would remain open all summer.

(U. S. Signal Corps Photo)

FOR OTHER BOYS—Mrs. Damaris Holloman, Gold Star mother of Torney General Hospital, who allots \$40 of each month's salary to War Bonds so that soldiers on some battle front may have fighting materials which her own son did not have at Bataan. Here she purchases an extra bond for the 5th War Loan Drive, from 2nd Lt. Helen C. Bowen, chief of Civilian Personnel at the hospital.

Gold Star Mother, Her Own Boy Missing, Buys Bonds to Aid Other Boys

When war has taken your only son, it is best to transfer some of your affection to other sons fighting the same war; work near them if possible give them the small attentions which would normally come from their absent mothers; and then—to those facing the enemy on world battle fields, send a constant and adequate stream of supplies with your money loaned through the purchase of War Bonds.

Such is the war-time code of Mrs. Damaris Holloman, employee at Torney General Hospital, whose son, S/Sgt. Carlton L. Holloman, Army Air Corps, missing in the Philippines since May 7, 1942, was recently declared officially dead in action by the War Department and posthumously awarded the Purple Heart.

AMONG THE FIRST

One of the earliest civilian workers to join the hospital staff, Mrs. Holloman reported "for the duration and six months" on August 26, 1942, just three weeks after the first patients arrived. Undismayed by midsummer heat she performed her hospital ward duties, and to still her worry over her missing son, performed dozens of small services for the patients.

Her motherliness met with quick response from hospitalized soldiers and she is now "Mom" to many boys who have gone back to duty. Their tribute to her thoughtfulness is summed up in this sentence from one of them: "You made the hospital seem more home-like to all of us, for each of us, though some might be ashamed to admit such a weakness, missed our mothers care when we were sick, and you sort

(Please Turn to Page 10)

Trio Hurt In Crash of Two Autos

Automobiles, driven by soldiers from the Army Air base here, collided at 12:10 a. m., Monday morning on Ramon road, a few blocks east of Indian avenue, resulting in injury to three men, according to report on file at the police station.

A Chevrolet, driven west by Hershel F. Wilson, and a Ford, driven east by William Sallis, figured in the wreck. Sallis, a passenger, Olon Furr, and Arthur Rogers, riding with Wilson, were hurt and taken to Torney General Hospital for treatment.

Officer Joe Smoot investigated.

Fifth War Loan Campaign Off to \$134,000 Start

Response to Mail Appeal Sent Winter Residents Is Generous; Phil Boyd Is First On List of Village Bond Buyers

Palm Springs was off to an auspicious start in the Fifth War Loan drive with Villagers and winter residents alike, contributing to the total for the first week.

Unofficial figures last night put the total subscriptions for the first three days of the campaign at approximately \$134,000.

Honors went to Philip L. Boyd, assemblyman-elect, for purchase of the first bonds in the drive. In the east now on a business trip, his application by mail came in time to land him in the No. 1 spot.

Chairman Tom Holland of the War Loan committee, reported that Villagers were responding well to the appeal that each make himself a committee of one to sell bonds.

RESPONSE IS GOOD

Fred Ingram, committeeman, manager of the Bank of America here, reported that the response to the mail solicitation of winter residents now away from the Village, topped expectations.

Among the first to respond was Ernest Alshuler, prominent winter resident, who wired his ap-

plication for a substantial amount as soon as he received Mr. Ingram's letter.

Other letters and wires were coming in daily and the bond list was growing. Mr. Ingram said that the first report on subscriptions, to be made next week, would show Palm Springs well along its road toward the \$346,000 goal.

PLANS IN SHAPE

Members of the committee, still in the Village, met this week to polish up plans for the successful conduct of the campaign.

Among special features arranged by Chairman Tom Holland to aid in the bond drive enthusiasm here, is a tennis exhibition scheduled tomorrow afternoon at 4 o'clock at the Palm Springs Tennis club with Bill Tilden, noted net star and Peter Witt meeting in two singles matches. A mixed doubles match has also been arranged.

PUBLIC INVITED

The public is invited to attend. Chairman Holland has also arranged for band concerts by the 723rd Army Air Force band from the 21st Ferrying Group base here. Through the courtesy of Col. Richard D. Morgan, commanding officer at the base, the band will play twice weekly, Mondays and Fridays, at the Village Inn coffee shop patio across from the post office and bank.

PLAN CONCERTS

Chairman Holland, Fred Ingram and Harold Hicks of the War Loan committee, met with Capt. Maurice H. Conn, special service officer at the air base, Lowell K. Weeks in charge of the band and Cpl. Sid Kuller to discuss plans. Cpl. Kuller, prominently identified (Please Turn to Page 5)

To Those of You Now Out of Town—

You Villagers who are away for the summer— And that includes you who maintain winter homes here but whose legal address is elsewhere, for you are Villagers, too—

You can buy your bonds here and help swell the Palm Springs war effort. Just mail checks or applications, designating the kind of bonds you want, to Fred Ingram at the Bank of America.

Chairman Tom Holland of the War Loan committee and his aides know you are with them.

Villagers Dine On G-I Food And Enjoy It

Getting the Fifth War Loan drive off to a good start, lunching on C-Rations and hearing about the manifold duties of the quartermaster service, war loan drive leaders, city councilmen and city officials gathered in the patio of the Palm Springs hotel Monday noon as guests of Capt. Jesse M. Bales, QMC, of the Mira Loma Quartermaster depot at Mira Loma, and of Miss Margaret Foldes, manager of the hotel who generously donated the site of the luncheon and also aided in serving refreshments.

ENJOY C-RATIONS

At each table were three mess kits, three cans containing crackers, candy, sugar and soluble coffee, lemonade powder or cocoa. There were also three cans of meat and vegetable combinations. Capt. Bales instructed his guests how to fix their mess kits and then cans were opened on the spot and an excellent meal was enjoyed.

PLENTY OF FOOD

C-Rations are a combat ration which is light in weight and pre-cooked. It can be carried right into the front lines and eaten either hot or cold. Packaged in two tins for each meal or six for the day, C-rations consist of three different kinds of meat and vegetable combinations, one for each meal, and three different cans of (Please Turn to Page 4)

Relief For Gasping Gas Tanks Thursday

Relief for gasping gas tanks comes next Thursday.

On that day, June 22, Coupon No. 12 in A books is valid, each coupon good for three gallons.

Whether the eight No. 12 coupons will have to last two months or three has not been announced.

Northwest To Get Data On Village

Executive Secretary Walter Kofeldt of the Chamber of Commerce will leave next Wednesday for the northwest going as far as Seattle.

Primary purpose of the trip is the six-day Western Institute for Commercial and Trade executives to be held at the University of Oregon at Eugene, Ore. Following the six-day intensive course at the university, Mr. Kofeldt will go on to Portland, Ore., and to Seattle Wash., conferring with newspaper editors and travel bureaus, spreading Palm Springs publicity.

A large number of the winter residents of the Village come from the Pacific northwest and the publicity program there will be in a fertile field.

Sports

Air Base Officer Gives Trophy In Memory of Friend

Lt. James R. (Bob) Maxwell, public relations officer at the army air base here, yesterday in Long Beach presented the Charles W. Paddock Memorial Trophy to Long Beach Polytechnic high, winners of the city track championship this year.

The perpetual trophy is donated by the Long Beach Press-Telegram in memory of the famous athlete who was killed in an airplane crash in Alaska last fall.

Lt. Maxwell was a close friend of Capt. Paddock, U. S. M. C., and had been with him on track teams for Athletic clubs and with him on the 1928 Olympic team.

Capt. Paddock held the world's record for the 100-yard-dash for some time and also is credited with holding more sprint records at varying distances than any other man. He was known as the "fastest human." Lt. Maxwell and Capt. Paddock were also associated in the newspaper profession for many years.

Long Beach Poly won the city championship this year by a point and a half margin over Wilson high and is the first school to hold the trophy.

Harry Mann Closes Range Here, Goes To Lake Arrowhead

Sportsman's Headquarters 22 rifle range at 366 North Palm Canyon drive will close this week for the summer months, Harry Mann, proprietor and operator, said today.

The Manns will go to Lake Arrowhead where they will start their eighth summer at their Sportsman's Headquarters at the mountain resort next Tuesday, June 20.

They will return in the fall.

One-Hitter Isn't Good Enough; Priebe Drops Tough One

Pitcher Priebe of the 21st Ferrying Group softball team allowed his opponents the Zamboanga Monkeys, Triple A crown winners in Los Angeles, only one hit in the morning game of the double header between the two teams last Sunday—but lost the game.

It was a heart-breaker to drop but the luck was against Priebe and the Los Angeles team won 1 to 0.

In the afternoon game the Zamboanga Monkeys won over the Ferrying Group squad in another fast game by a score of 3 to 1.

Motoring Public to View Village On Magazine Cover

Palm Springs will be in the eyes of the national motoring public in the fall.

Secretary Walter Kofeldt of the Chamber of Commerce this week received a letter from Delphone L. Smith, editor of National Motorist advising him that from a selection of views of the Village, she had selected one for a cover page of the motoring magazine for a fall issue.

The National Motorist has a wide circulation.

Jackrabbits In For Tough Summer Is TGH Forecast

Desert jackrabbits will have a hectic existence when the Special Service Archery classes get under way.

Lt. Joseph P. Bird, Special Service Officer, has announced that twilight archery classes will be held every Tuesday and Thursday from 7 to 8 p. m.

Officers, enlisted men, patients and civilian personnel can take part in this intriguing sport.

Targets will be set up adjacent to the civilian barracks, and the class will be instructed by Cpl. Roy Hausauer, expert marksman, and volunteer assistants.

Two New Softball Leagues to Start Action Next Week

Two new softball leagues will get under way next week, R. H. Bennett, recreation director, announced today. They will be patterned after the leagues which have just concluded play but will have different names and some different teams.

There will be one league comprising teams from the two army installations here and the Village and another made up of teams from the 21st Ferrying Group.

The former league will play Tuesdays and Thursdays and the latter, Mondays and Fridays, leaving Wednesdays open for special games.

Golf Course Will Remain Open Until Middle of August

Desert Golf Course shop closed this week for the summer but the course will be open until August 15, John Kline, manager, said today.

On August 15 the greens will be allowed to burn out in preparation for work scheduled to begin September 20 preparing the greens and fairways for the coming season.

War Chest Funds Now At Work On Six Continents

Gifts made to Palm Springs War Chest Fund are now at work on six continents and in 91 countries and major geographic areas, according to a report issued today by A. B. West Chairman of the Riverside County War Chest.

Mr. West reported that the National War Fund, which receives funds from the Palm Springs War Chest Fund, reports that its nineteen member agencies are now working on many fronts.

USO-Camp Shows, a participating service of the National War Fund, is now operating in every theatre of combat. United Seamen's Service, a member agency is operating on six continents. USO has vast works in the Western Hemisphere and War Prisoners Aid is also covering extensive territory. Member agencies working to meet needs of our Allies, carry their activities into scores of nations where refugees are now finding haven.

Mr. and Mrs. Cree to Leave For Summer

Mr. and Mrs. Raymond Cree prepared this week to move to a summer home in Banning.

Mr. Cree expects to make frequent trips into the Village during the summer to look after his real estate business here.

Miss Miller Leaves For Santa Barbara

Miss Fritzene Miller, an employee at the military personnel office at Torney General Hospital for some time and a resident at the Plaza Lodge, is leaving the Village to make her home in Santa Barbara.

Extremely popular at her place of employment and at the lodge, her many friends much regret to see her leave.

Elephants like onions as much as peanuts.

Palm Springs Lions Cinch Second Spot In Softball League

Palm Springs Lions Club cinched second place in the Palm Springs Softball league during the week when they nosed out the Torney General Hospital Officers 1 to 0 in a close ball game.

In the final game of the season, the Torney Officers dropped another one-point decision, this time to the 21st Ferrying Group officers. The final count was 2 to 1 in a hot game which saw the score knotted for many innings.

The two defeats shoved the Torney Officers into a tie for third place with the Torney Enlisted men.

Final standings in the Palm Springs league, as announced by R. H. Bennett, recreation director:

	W	L	Pct.
21st Enlisted Men	9	3	750
Lions Club	7	5	583
Torney Enlisted Men	5	7	416
Torney Officers	5	7	416
21st Officers	4	8	333

Whitewater Cadets Win Hot Game, 8-7

Whitewater Air Cadets came into Palm Springs during the week and took on the Torney General Hospital team in a fast ball game at the Field Club grounds.

It was a see-saw affair all of the way with first the Cadets and then the Torney team in the lead.

The last out, however, found the visitors one run to the good, on the long end of an 8 to 7 count.

A. Demuth Leaves For Los Angeles

A. Demuth left his week for Los Angeles where he will spend the summer months.

He will return here in the fall for his 31st winter in Palm Springs.

21st Softball Team Wins 15-0 Victory

In an uneventful game at the Field Club grounds Wednesday night, the 21st Ferrying group softball team poured it on to win from the Whitewater Air Cadets, 15 to 0.

The cost of 312 feature length motion pictures and some 500 short subjects produced by major Hollywood motion picture companies in 1943 was about \$247,000,000.

Miss Bobbie Parker, local newspaperwoman, left last weekend to spend the summer in Los Angeles. She plans to attend summer sessions either at UCLA or Los Angeles City College.

ENTERTAINER—Bob Hull, pianist and organist, now delighting throngs at the Rainbow room of the Royal Palms Hotel.

Bob Hull's Music Pleasing Throngs At Rainbow Room

Robert Hull, who has been playing the piano since he was nine years old and whose organ music is familiar to a large group of radio listeners in the middle west, is now delighting patrons of the Rainbow room at the Royal Palms hotel with his organ concerts afternoons and evenings. He is heard every afternoon from 4 to 6 and evenings from 8 to 12.

Hull, a graduate of the University of Indiana, class of 1939, where he specialized in accounting as well as music, started playing with dance bands when he was 14 but later went into solo work, both piano and Hammond organ. He played at several smart spots in Indianapolis and also was featured on the air from stations WFBM and WISH.

Hull is answering many requests from patrons of Earl Gray's Rainbow room and said an astonishing number of the requests were for the old time tuneful melodies. His range covers these old songs as well as the latest hit tunes.

Federal Auto Use Tax Stamps Now On Sale Says Gorham

Sale of federal use tax stamps for automobiles is under way at the local post office, R. M. Gorham postmaster, said this week. The stamps must be displayed by all automobiles on and after July 1 and cover the fiscal year to June 30, 1945. No deductions are made for part of the year.

The new stamps are purple in color and bear a picture of the Liberty Bell. On the reverse side is space for the serial number of the car, the make, model engine number and state license.

Mrs. Frances Milner, formerly of Desmonds store, spent Monday in Loma Linda and Redlands.

Postwar Group's Recommendation Is Backed By C. of C.

Support of the proposal of the County Postwar Planning committee made up of representatives of all of the county chambers of commerce, that the county engage an engineer and a secretary to start postwar planning now, was given by the board of directors of the Palm Springs Chamber of Commerce at its recent meeting.

The county postwar committee urged that a competent and efficient engineer and secretary be hired to map postwar programs, to have them ready when the war ended.

Chamber of Commerce directors backed the program with a resolution directed to the county board of supervisors, recommending such appointments.

They're Now Sure of Place to Stay Here Next Winter

Mr. and Mrs. Roland M. Taylor of Beverly Hills, who came to Palm Springs two months ago, staying at the Plaza apartments, so liked the Village that they purchased a home in the Tahquitz Estates tract and will have a permanent winter residence here.

They left the Village this week, after completing negotiations for the purchase, and will spend a month at Long Beach before going to their Beverly Hills home for the summer.

They plan to return in the fall to their new home which is at 1810 Mesa drive and which they purchased from Mr. and Mrs. James A. Sheely.

Mrs. Martha James, prominent local realtor, handled the transaction.

Summer Schedule In Effect At Library

Summer schedule went into effect this week at the Welwood Memorial library and the institution will be closed Saturdays and Sundays until fall, Miss Dorothy Bear, librarian, announced.

Week-days the library will be open from 10 a. m. to 8 p. m.

Highway 111 Remix Job Is Completed

Harold Lienau, in charge of the local district for the state highway department, reported today that the task of repairing State Highway No. 111 between Palm Springs to a point beyond Cathedral City, had been completed. The remix job covered five and one-half miles.

The Harry Klonicks left this week for their summer home in Hollywood. They will return in the fall.

PALM SPRINGS

Dr. Macartney Returns to His First Parish to Conduct Sermon; Describes Interesting Trip Through Wisconsin

Writing from Williams Bay, Wis., where he is the guest of Mr. and Mrs. William M. Davis, Palm Springs winter visitors, Dr. J. R. Macartney, pastor of Community church here, describes his return to the parish where he began his ministry many years ago.

Dr. Macartney went to Oconto, Wis., from Chicago, where he had attended the General sessions of the Presbyterian church as a delegate from the Riverside Presbytery.

MEMORIES RECALLED

Oconto is a lumber town of about 5,000, 195 miles north of Milwaukee.

"To me it was an occasion full of emotion and of fond memories. I had just returned from Scotland and England where I was doing post-graduate work, and providence led me to this parish which I served eight happy years.

"Thither I brought my bride; there my three children, Robertson, Jr., Helen and Arthur were born.

OUTDOOR LIFE

"I fairly reveled in the outdoor life. Deer hunting in winter and ice boating on Green Bay. Trout fishing in the streams, bass and pike in the lakes and the deep snows and rugged winters.

"Each winter I made frequent visits to the lumber camps to talk to the lumberjacks, a rough and hardy group they were.

"Marooned up in the forests for months on end, and in the spring when they came to Oconto, there was the devil to pay. Their roll of money did not last long. Gamblers and plenty of females from the big cities were on hand to relieve the men of their rolls. Presently broke, they had nothing but to rehire and go back to the summer work or go to work in the saw mills. Often their families who had waited patiently for father to come back, were left almost destitute as the expected money was squandered for carousing.

MANY OLD FRIENDS

"I took a showing of hands last Sunday to find out how many in the large congregation, were present when I began my work there years ago. There were 27 hands went up.

"After service every one came forward to greet me, and I was hard put to it to call off the names, for forty years and more chiseling of time, makes many changes in our appearance.

"It was my pleasure to be guest in the fine home of Mr. W. A. Holt, a retired lumberman. When their tracts of timber were all cut they had to close down the mill after 75 years of sawing logs. A moving picture was taken as the last log went through the mill and then the mill hands, the trucks, wagons, etc., filed past and the event was recorded in film.

GREAT FIRE

"A junk man bought the mill, to dismantle it for the iron and timber. Using an acetylene torch, it caught fire, and there was a great burning. Which burning I also saw in a movie taken at the height of the flames.

"Four men by the name of 'Bond,' whom I baptized when they were children, began on a small scale a pickle works, which has now grown to ample proportions. Hundreds of acres are now devoted to the raising of cucumbers to keep the vats filled and

to also fill the bottles, for their brand is known nation-wide.

"So prosperous were they last year that they gave \$500.00 to each of the seven churches of the community. Protestant, Roman Catholic and Christian Science.

FIRST IN WORLD

"By the way, here in Oconto was organized and built the first Christian Science church in the world. That was in 1886. Before even the Mother Church in Boston.

"Another interesting successor to the lumber mills, is an egg drying plant. It was deeply interesting to be shown through. Brought in by farmers, shipped in by truck and rail, 1500 cases are processed daily, 30 dozen to the case, or a total of 500,000 eggs.

"A government order urges them to make powdered eggs.

"On moving belts, the eggs pass over bright lights which reveal whether they are clear or have a shadow, which would indicate a questionable egg, eighty women and girls scan and work over the eggs as they move along. Lifting out any broken ones, but if not too badly broken, conserving the contents.

ALL OVER WORLD

"Another group of women crack open the eggs, three into a cup to make sure that all are perfect. These go into a large container. The white and yolk mixed together and driven through a fine spray nozzle, into a large iron bin, 8 x 12 feet in diameter.

"It comes into this superheated box like a fine yellow mist and instantly all moisture is evaporated and the powder-like fine flour falls to the bottom, whence it is removed and carefully packed in 100-pound containers and shipped by the carload or smaller consignments all over the land. Shiploads of it go to our soldiers overseas. At present the buying price of the eggs here in Wisconsin is 28c a dozen.

AT LAKE GENEVA

"I am at present a guest in the lovely Lake Geneva home of Mr. and Mrs. Wm. M. Davis, winter guests in Palm Springs for the last several seasons.

"Their spacious home borders the lake with sloping lawns. Motor boats and row boats at the pier below and a magnificent view away down the lake, make this an entrancing spot.

"Nearby is the great Y.M.C.A. camps where, each summer, thousands of young people come for a week or ten days from Chicago and other cities in the middle west for recreation and religious uplift.

"Coming down through Wisconsin yesterday, never have I seen such green fields, herds of cattle, knee-deep in abundant pastures and smiling landscapes dotted with prosperous farms.

"Corn is shoe high, and oats showing. Practically all crops raised in this section never leave the farms, they are fed to the herds.

DAIRYING LEADS

"Dairying and cheese making constitute the leading occupation. I saw one double tank truck filled with 20,000 pounds of chilled milk on its way to Chicago, there

Churches

COMMUNITY CHURCH

Dr. J. R. Macartney, Minister

Regular services will prevail during the summer, Sunday School at 9:45 a. m., services at 11 a. m. and 7:30 p. m., with supply pastors during the absence of the regular minister.

Persons desiring the services of a pastor are urged to call Dr. B. B. Weatherall, pastor emeritus, 5084.

CHRISTIAN SCIENCE

271 Ocotillo Ave.

One Mile South of The Plaza Sunday services at 11:00 a. m. Sunday school at 9:30 a. m.

Wednesday evening services at 8:00 p. m.

CHRISTIAN SCIENCE CHURCHES
"Thou, Lord, in the beginning hast laid the foundation of the earth; and the heavens are the works of thine hands." This verse from Hebrews will be the Golden Text in the Sunday Lesson-Sermon in all branches of The Mother Church, The First Church of Christ, Scientist, in Boston. The question "Is the Universe, including Man, Evolved by Atomic Force?" is the subject.

A Bible passage from Genesis reads, "In the beginning God created the heaven and the earth." ... The Psalmist writes, "Before the mountains were brought forth, or ever thou hadst formed the earth and the world, even from everlasting to everlasting, thou art God." For a thousand years in thy sight are but as yesterday when it is past, and as a watch in the night. ... Let thy work appear unto thy servants, and thy glory unto their children. And let the beauty of the Lord our God be upon us."

In "Science and Health with Key to the Scriptures" Mary Baker Eddy says, "Inspired thought re-creates a material, sensual, and mortal theory of the universe, and adopts the spiritual and immortal."

FULL GOSPEL CHURCH

"Assembly of God"

South Indian Ave.

Sunday School, 10 a. m. Sunday morning worship, 11 a. m.

Evangelistic Services, 7:45 p. m. Wednesday night service, 7:45 p. m.

Saturday night service, 7:45. Welcome to all.

Mr. and Mrs. J. L. Lyons.

SEVENTH DAY ADVENTISTS

370 North Indian Ave.

Every Saturday. Sabbath School at 9:45 a. m. Morning service at 11:00 a. m.

to be pasteurized and bottled. Inquiring I learned that that same milk is returned to towns and cities hereabouts for household consumption.

"It would appear that Providence was about to pour out as never before a harvest of food products upon this nation, so that we shall indeed be enabled to feed the starving millions whom we have and are about to liberate from frightful slavery.

"God is doing His part. Let us do ours."—John Robertson Macartney.

St. Paul's Closes For Summer; Will Re-Open Sept. 18

St. Paul's in the Desert, Episcopal church, concluded regular services for the season last Sunday and will close for the summer months. Services will be resumed on Sept. 18.

The Rev. Robert M. Hogarth will spend the summer in Long Beach and devote his time to special work in coast communities east of that city.

Capt. George Stone To Be Speaker at Community Church

Services at the Community church next Sunday will be in charge of Capt. George Stone, stationed at the 21st Ferrying Group base here.

He will preach the sermon at the 11 o'clock service Sunday morning.

The church will remain open with supply pastors occupying the pulpit until the return of Dr. J. R. Macartney in the fall.

Bethlehem Church Dedication Sunday

New building of the Bethlehem Church of God in Christ, located on Lee's Camp ground, will be dedicated next Sunday, June 18, the Rev. W. R. Wyes, pastor, said this week.

District Superintendent A. A. Jackson of San Diego will preach the dedicatory sermon at 3 p. m. Ministers from churches of surrounding cities will be present to aid in the ceremony.

EPISCOPAL CHURCH

St. Paul's-in-the-Desert

125 West El Alameda

Rev. Robert M. Hogarth, M. A. Closed for the summer. To re-open Sept. 17. 1137 Cedar avenue, Long Beach 2. Telephone 666-233.

CATHEDRAL CITY COMMUNITY CHURCH

The Rev. John C. Abels, Pastor

Sunday School at 9:30 a. m.

Morning Worship at 11:00 a. m.

Pay your telephone bill before the 30th and receive a discount.

OUR LADY OF SOLITUDE CATHOLIC CHURCH

Alejo Road, West of Palm Canyon Drive

Rev. Michael Phelan, Adm.

Sunday Masses, 7 and 9 a. m.

Information class, Thursdays, 7:30 p. m.

Novena of Our Lady of Sorrow, Fridays, 7:30 p. m.

Catechism, Mondays.

SAFeway SHOWS HOW PRICES OF TODAY COMPARE WITH THOSE OF A YEAR AGO

Many customers have asked how Safeway prices of today compare with those of a year ago. Although we recognize the fact that a few prices have advanced slightly (under Government regulation, of course), the direct comparisons shown in the list below reveal that hundreds of prices are exactly the same or even lower than in 1943. Realizing the disastrous result that inflation during war-time can bring, Safeway has done, and will continue to do everything possible to hold prices down.

Back The Invasion

It shouldn't be necessary for any member of the War Bond committee to even make a call to sell War Bonds during this, the Fifth drive, which started Monday. At least, citizens should be prepared to sign up the first time a committee member calls, so much valuable time will be saved.

With Village men, we all have watched grow from small boys, stationed in England and possibly already landed in Normandy, it seems incredible that any Palm Springs man or woman would fail to purchase to the limit of his or her ability, the bonds that will provide them, our own boys, with the weapons they need.

These men have a long way to go as do those in Italy, the Pacific and wherever American fighting men are facing the enemy.

BACK THE INVASION, BUY WAR BONDS until it hurts and help with the harvest to save valuable fruit.

Delinquent Deterrent

This is the season when Scouting enthusiasts are knee-deep in summer camp plans, which, under expert, understanding adult guidance, will provide thousands of youngsters their only real outing this year. Actually the summer camp program will provide much more than that.

With juvenile delinquency figures climbing to heart-breaking totals under the impetus of wartime dislocations, the character building aspects of Scouting offer certain aid in the right direction.

Any boy or girl who misses the fun of campcraft, hiking, nature study, camp cooking, camp sports, dramatics and games with playfellows of an age, misses a lot of jolly things that belong to youth. But any youngster who fails to experience the community life, the sharing of both tasks and fun, the comradeships of Scout camping, misses, too, an important and lasting stimulus toward good citizenship.

As builders of well balanced human beings and as deterrents to juvenile delinquency, the summer Scout camps must be considered a highly helpful factor in tapering down those alarming delinquency figures now worrying parents and juvenile authorities throughout the country.

"I Rise to Remark"

By CONGRESSMAN JOHN PHILLIPS

When I came to Congress I decided the wisest policy would be to say as little as possible; make few speeches; learn all I could. Last week I broke down and accepted an invitation to appear on the "American Forum of the Air" and talk about the renewal of the Price Control Act. The temptation was too great; that's the act under which the OPA operates. The date was the 6th.

Do you recall what happened on the 6th? Invasion! No broadcast. I rise to remark that I'm still sorry not to have been able to ask some questions of the Congressmen on the other side.

The Emergency Price Control Act was set up by the Congress to stand between the citizens of the United States and inflation. Whether or not it has done so, and whether or not it has done a satisfactory job, is what we were to discuss that evening.

The people must understand that all of the argument about subsidies and all of the statements that subsidies stand between us and inflation, are not only incorrect, but often deliberately incorrect.

If we understand that, then we can talk intelligently about the Act which really does work against inflation, and which Congress will within the next few days extend and improve. The Price Control Act was approved January 30, 1942. This is its renewal. I have been making laws for sometime, although I have only been helping make them in Congress for less than two years. I would ask my more experienced friends whether they have ever

seen a perfect law? If laws are not perfect when they are written, it is not right to believe that amendments may be made to this law, as to others, to improve it?

No part of price control has operated more unequally than rent control. We have areas where rents have been depressed prior to the war and these depressed rentals frozen. We have houses of equal value where one rents for \$125.00 a month, and the house next door rents for \$25.00 a month. That is not equality of anti-inflationary measures. There are two sides to renting houses. One is the side of the renter who wants the property at a fair, and not inflationary rent. The other is the side of the property owner, whose entire income may come from rentals, and he or she may not be permitted by OPA regulations to get enough out of the properties to pay the increasing costs of taking care of them.

I have held that price control as now set up is entirely too broad for its own good, that it sinks under its weight. The growth of the black market in the United States is evidence of imperfections in the system. I believe that I express the sentiment of Congress, when I say that it is the feeling that price control should be continued, that the Price Control Act should be renewed, that amendments should be written into the bill, and that while price control may not be doing the good job that the people think it is, nevertheless it is our present bar against the danger of inflation, and as such we cannot afford to give it up.

Cathedral City

By W. R. HILLERY

Raymond M. Sorum, city manager of Palm Springs, came to our Town Hall last Friday evening and met with the usual dozen who turn out at most Chamber of Commerce meetings. Mr. Sorum was not invited to come as city manager although he would have been welcome in any capacity, but as State and county representative of those chamber of commerce bodies. The very informality of the meeting was good for it brings our communities closer together. Postwar construction and local area highway work was discussed. We are glad you came, Ray, and we want you to drop in often now that we are acquainted.

At the same meeting a resolution was passed, addressed to Manager Cecil Isenagie of Tanner Motor Liveries of Palm Springs, requesting that concern to give Cathedral City transportation service between the two communities, such service to start this fall. As it seems quite certain we can have this service which would add three to four trips per day to the present Greyhound service it might be well for local residents who did not attend the chamber meeting, to write in to Mrs. Marie Ide, secretary of the chamber, advising that you would like and would support such a venture on the part of Tanner Motors.

James W. Kyle reported on postwar planning and the questionnaire that through many revisions is nearing the final form. It is a comprehensive series of questions that should produce real statistics so we will know what this community will be able to do and what we want others to do.

President James K. Wolseth expects to be away from the desert for at least part of the next two months and as this also applies to Vice-president Frank C. Russell, the following members were appointed as an executive committee to serve during the interim, W. R. Hillery and Ray G. Potter, Secretary Marie Ide expects to remain on the desert so the routine and the emergency matters can be attended to.

A drilling machine is at work in the northwest corner of section 33 which interpreted means its drilling holes in that little cove inside the fence and on your left about a half mile from the arch of Cathedral City as you go toward Palm Springs. The land is owned by Walter Melrose and associates. The men on the job know or pretend to know nothing as to what it is all about. I rather imagine I shall not miss it far to tell you that it's the army engineers checking the plans made for floor control by the various survey crews several years ago. The one we came to know best was Frederick Cronholm and his crew of engineers. The plan at that time was to run a six-mile dam across the Coachella Valley and the south end of it was to tie into that spur of the mountain that forms the west wing of that little cove. As I recall it that was proposal "A" and was to cost between eight and nine million dollars, and then there was proposal "B" that tied into the same spur but the dam meandered on contours down and out over the desert and was about ten miles long and cost another million or so. Tests across the valley were made by tractor scraper and holes fifteen or twenty feet were dug and the seepage qualities ascertained. The present holes are being drilled and to much greater depths and probably to ascertain the foundation of the spillway. We need not get excited about this as there will be much discussion about it when the matter passes from war department to congressional committee. In the meantime if someone is interested, it might be a good idea to get Cathedral City out of the

Coachella Valley County Water and Storm Districts. A divorce will be costly later.

Few flags were noted on Flag Day. The Shannon flag was flown on Town Hall and I noticed Doc Brandt had a new pole and flag which is the first dwelling west of Town Hall.

And here is something interesting about Flag Day. Louis Lockner, the commentator who spent his entire fifteen minutes on KFI, reviewing Willard Price and his latest book, Japan's Islands of Mystery. The reason for mentioning the author's name is that it was pleasantly personal and as the comments included Mary Price, the author's wife, it was very much appreciated by those privileged to know this charming couple. Incidentally, Mr. Lockner made mention of Cathedral City.

The series of quakes we have felt the past week was no fault of ours as we understand the fault lies north and west of us. I'm not sure but it seems to me that when Edmund C. Jaeger lectured in Palm Springs a few years back that he explained the great San Andreas fault and the branch of it that runs along the San Bernardino mountains and the Indio Mud Hills and finally ends, so far as we are concerned, in the bubbling mud pots at the other end of Salton Sea. As I recall it the bubbling mud is a safety vent and many small shocks allow the land to settle without damage to structures, while if the same amount of settling was done at one time the results might be disastrous.

Guess the progress of the bond drive will be reported next week. Some bonds have been sold we know. I'll ask Edna Cobb, postmaster, next week what has been sold there and I understand that Robert Higgins is making sales of which the credit is to go to the Boy Scouts, Robert Hillery is helping Claude Cobb on some construction work and has not contacted many to date. Whatever medium or agency you use, will you buy your bonds and report to me or to Marie Ide or someone so that a count can be had as to what Cathedral City does in this drive? Buy 'em, you're not giving.

The Rev. J. L. Thorup, member of the Southeastern Missouri Baptist association, will preach at the Cathedral City Community church next Sunday morning, his topic being "Existing or Living." During the absence of the regular pastor, the Rev. John C. Abels, Rev. Thorup will preach each Sunday morning and evening.

THRILLER—Lon Chaney and Ramsey Ames in a dramatic scene from Universal's spine-chilling murder mystery, "Calling Dr. Death" at the Palm Springs theater Tuesday and Wednesday.

MORE ABOUT . . .

Villagers Dine . . .

crackers, candy and sugar and either soluble coffee, lemonade powder or bullion.

Capt. Bales explained the other rations, defining the word as that amount of food needed by one man one day.

IT TAKES BONDS

He said that the quartermaster department is responsible for feeding, clothing and equipping the entire army and that it takes war bonds to supply the money for this task.

Walter Kofeldt, Chamber of Commerce secretary, spoke on behalf of Chairman Tom Holland of the Fifth War Loan drive and distributed applications among those present.

What tickles us are the women haters — with seven suits of clothes.

ning at the Cathedral City church. Rev. Abels, who is spending the summer at Idyllwild, will be down for next Sunday's services. Vacation Bible school sessions are held each Wednesday at 9:30 a. m. at the Town Hall, and Bible study classes each Thursday at 10 a. m.

Agnes Pelton, eminent artist, held open house at her studio home Tuesday. Guests were from the village locally as well as from Palm Springs.

While delightful refreshments were served, the many beautiful canvases created by Miss Pelton were placed on display.

Just one of those lovely days to be long remembered.

Veteran And Church Exemption Deadline Is Monday, June 26

County Assessor Frank Burchfield reports that many veterans and churches have not filed their 1944 claims for tax exemption. All applications for exemption must be in the assessor's office not later than 5 p. m. on Monday, June 26. The law definitely states that failure to file the affidavit claiming exemption shall be deemed a waiver of the right to exemption. All veterans and religious organizations who have not filed and intend to avail themselves of that right are urged to do so at once, Burchfield stated.

Veterans who have an honorable discharge from war time military service, widows of veterans, or widowed mothers of deceased veterans are entitled to exemption under the California Military Exemption Law. Churches have a specified exemption. All buildings and so much of the real property on which they are situated as may be required for the convenient use and occupation of said buildings when the same are used solely and exclusively for religious worship, are free from taxation. However, failure to file claim for exemption is required to be treated as a waiver of exemption and this point is often overlooked by veterans and church officials.

During the few remaining days before June 26, persons or churches entitled to exemption may get in touch with any deputy

THE BAND PLAYED ON—Band boys from the 21st Ferrying Group base tooted lustily Tuesday at the Village Inn Coffee shop to aid in the Fifth War Loan Drive. They'll play twice weekly during the campaign—Mondays and Fridays—to keep enthusiasm up. Film stars will appear to aid in the concerts and bond rallies.

G I LIKE IT—That's what civic leaders said when they lunched on G. I. C-Rations at the Palm Springs hotel Monday to launch the bond drive.

MORE ABOUT . . .

Bond Campaign . . .

fied with the film industry before entering the army will arrange for the appearance of some movie-land personality at each of the concerts to act as Master of Ceremonies and boost the bond sales. Plans for a parade were also in the making with co-operation of the local army bases assured. In the meantime George Strebe of the Palm Springs and Plaza theaters was working on plans for bond premieres and will have his announcements ready soon. Stanton Griffing, chairman of the American Legion committee

handling bond sales for that organization this week sent letters to all members of the Owen B. Coffman post, detailing plans and enclosing pads of bond applications. The post has been divided into two teams, one under Jack Holditch and the other under Joe Omlin. Headquarters have been established at 120 South Palm Canyon drive and are open from 8 a. m. to 5 p. m. and from 7 p. m. to 8:30 p. m. daily. Commander Gordon Feeckings announced last week that the local post will participate 100 per cent in the nationwide bond drive of the Legion and that all bonds sold here will be credited to the Village quota of \$346,000 as

well as to the Legion quota.

UP TO ALL OF US

Chairman Holland again reminded each Villager that he is a committee of one in this bond drive and said that the campaign was coming along smoothly and he felt every confidence in the outcome.

"Palm Springs has never let Uncle Sam down. It will not fail this time," he said.

Britain's "OPA"?

"The permitted uses of binder twine remain as in the No. 3 Order, viz:

... (4) in a thatch mat making machine for making machine-made thatch mats to be used to cover stacks of cereals or flax."—From a Government Circular. Are you sure you understand?—Punch (c).

When a tire blows these days it's left flat—and has nothing on the holder of an "A" coupon.

Son In Pacific War Theater Sends Dad's Day Memento

Councilman Walter Z. Allen says this Father's Day is to be the best of them all. Came a letter this week from son Walter, Jr., whom he has not seen in three years. In that letter was a \$50 money order. "Have a good time on Father's Day," was the accompanying message. Councilman Allen may frame that one.

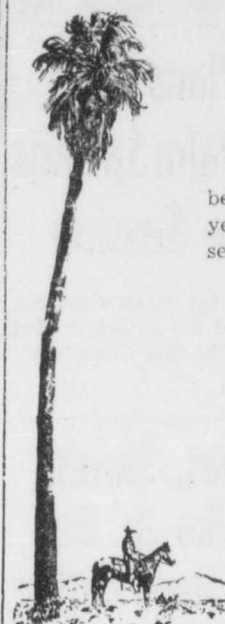

Threat of Knife Halts Youth Held As "Peeping Tom"

Rudolph Fontes, 14, is under detention by juvenile authorities at Riverside, accused of violating the city's curfew laws and of being a Peeping Tom. Mrs. Richard Smith, wife of Sgt. Smith told her husband that she had seen a face peering into the windows of their home and the soldier staked out an ambush. When the face again appeared,

Village Pharmacy to Be Enlarged, New Cases Added

Work is underway at the popular Village Pharmacy whereby twenty feet will be added to its width, the fountain extended and enlarged and room made for another row of display cases. Merrill Crockett proprietor, said today the remodeling job would be finished and the Village Pharmacy present a new enlarged service to its customers on July 1. Store rooms to the north of the present room have been acquired and partitions will be taken out to accommodate the enlargement program. The kitchen will be moved into newly acquired space and the fountain moved northward several feet and extended west into the space now occupied by the kitchen. Moving of the fountain will provide 20 feet of additional room in the center of the store for additional show cases and for greater convenience of patrons. Homer Wise will continue in charge of the fountain while Mr. Crockett will manage the pharmacy. Business will proceed as usual during the alterations, the store remaining open its usual hours.

Saipan Landing of Great Interest to Mr. And Mrs. Price

News of the landing on Saipan Island in the Marianas was of high interest to Willard Price of Cathedral City, author of "Japan's Islands of Mystery," for Saipan was one of the islands visited by Mr. and Mrs. Price in 1935. Mr. Price was the first foreigner to visit the island since the Japanese took it over in 1914. He was a very unwelcome visitor, he says, as the Nipponese tried hard to hide the fortification work they were doing in violation of treaties. Saipan is a flat island, covered with plantations and ideal for air strips. Its possession will put Tokio under American bombers. Saipan, Guam and Tinian are all close together and all ideal for airports, he said although Guam would be hardest to take because of cliffs at the beaches.

Sgt. Smith ran out and chased the fleeing figure. "Stop, or I'll throw this knife at you," he yelled. The fugitive stopped and young Fontes was turned over to police by Sgt. Smith.

Forest Areas Are Closed To Public

All portions of the San Bernardino National Forest, effective June 13, and until further notice, will be closed as posted on the grounds William Peterson, acting forest supervisor, announced on Monday. The closed area signs will be posted conspicuously at intervals of not less than three to the mile and at all roads and trails entering the closed areas. The State Highways and other public roads leading to these areas of course, will remain open to public use. The only roads which will be closed will be duly and conspicuously posted.

Even under the most favorable circumstances our (invasion) losses may well be so heavy that they will be felt in every town and village in the United States. —Col. Theodore de Cue Palmer, deputy director Army Specialized Training.

Herb Lienau Here On Furlough; Wins Honors In Gunnery

Herb Lienau, well known Palm Springs youth, now in the U. S. army, is home on a 15-day furlough visiting his parents, Mr. and Mrs. Harold Lienau, following successful completion of his course at the flexible gunnery school at Yuma, Arizona. He graduated third highest in a class of 483 youths at the Yuma school. Young Lienau, graduate of Palm Springs high school in June of 1943, prominent there in athletics and on the high school paper, Smoke Signals, entered the army as an air corps cadet last fall. When the number of cadets was ordered deeply reduced, he was transferred to the gunnery school at Yuma, where he completed his course last week. He arrived here Tuesday morning and will remain here until the end of the month. He will report back for duty at Lincoln, Neb., on June 30 for further assignment.

Absentees Missing Something As Rare Weather Lingers On

It's time again to dust off that old bromide: "What is so rare as a day in June?" That's what Villagers are saying as they point to the week's temperature record. Here it is:

Date	Max.	Min.
June 8	96	64
June 9	86	54
June 10	90	55
June 11	96	57
June 12	98	59
June 13	97	58
June 14	96	57

That one pint of blood you fail to give today can well be the difference between a boy coming home and a cross in an American cemetery overseas.—Lt. Comdr. Arthur F. McQuaid, wounded Navy chaplain back from Tulagi.

PLEASE . . . ORDER YOUR PRINTING NOW FOR NEXT SEASON

It will pay you to have your printing done during the Summer Months and thus avoid the rush that always occurs at the beginning of the Fall and Winter Season. It is certain the supply of paper will be much less next Fall than it is now, for the shortage is becoming more serious each day. However, we still have a good supply on hand and so far have been able to satisfy our customers.

We employ only expert printers, pressmen, linotype operators and other craftsmen. They are thoroughly familiar with the high-class type of work demanded by the people of Palm Springs.

Our entire crew remains on the job all Summer.

Whenever possible, we would like to have from two weeks to a month to do your printing, as our printing plant ordinarily has orders on hand that far in advance. However, we can give much quicker service during the summer, and can make delivery in a few days if necessary.

Reports of Activities And Plans For Summer Work Discussed By Palm Springs Red Cross Directors At June Session

Reports of activities of the year and plans for the summer months occupied directors of the Palm Springs branch of the American Red Cross at their June meeting held Wednesday at the Red Cross headquarters, 107 North Palm Canyon drive.

Chairman Harold C. West presided at the sessions.

It was announced that the offices would be open Mondays and Fridays from 9 a. m. to 1 p. m. throughout the summer with Mrs. Clyde White in charge.

FIRST AID OFFERED

Mrs. Alice Guthrie, member of the board and also head of the Desert Hot Springs unit of the branch, reported that an emergency first aid station, fully equipped, had been installed there.

Revealing the close cooperation between the local branch and Torney General hospital were reports from Mrs. Philip L. Boyd of

Any Trees, Shrubs You'd Like to Get Rid Of? Here's How

If you have a few shrubs or small trees you want thinned out, contact Capt. Joseph Caraway at the army air base.

They want trees and shrubs there, a word to him and he'll take care of the rest.

Or, call the Chamber of Commerce, 6111, and they will make the arrangements.

the Hospital and Recreation corps, Mrs. Marvin Ostrander of the Productions rooms, Mrs. Frank Cutler of the Home Service and Gordon Feekings and Kenneth DuBose of the Camp and Hospital committee.

GRAY LADIES ACTIVE

Mrs. Boyd reported that during the season a third Gray Ladies group, comprising 15 women, were selected and trained augmenting two groups of 14 and 15, respectively, trained last year. Twenty five wards were taken care of by this service and more than 5,000 working hours given by the Hospital and Recreation corps. Mrs. Boyd reported 46 active members of the Gray Ladies serving at Torney Hospital during the past season.

Mrs. Ostrander reported that the production room had turned out 1420 articles for the hospital, the biggest item of which were 1379 pairs of slippers.

REPORT ON AID

Mrs. Cutler reported on aid given families of Torney personnel while Messrs. Feekings and DuBose reported on furniture given for the Women's Day Room at the hospital and of other articles procured for their needs.

Chairman West said that the board would meet monthly all through the summer.

TWA Asks Permits For Global Lines

Transcontinental and Western Air, Inc., which has an application before the Civil Aeronautics Board to include Palm Springs on one of its main lines, filed another application with the CAB this week which, if granted, will link the Village direct with most world capitals.

The latest TWA application seeks a permit to extend its lines 20,000 miles to include capitals in European Asia and Africa.

Dog House Closes For Summer Months

They're out of the Dog House now. It's closed.

Milton Mack, proprietor of the Dog House, closed it up for the summer this week, going to Hollywood. He will return in the fall with ambitious plans for his popular eating spot.

The father of twins is always doubly proud. Puts on heirs.

Old Mother Earth Experiences 4-Day Attack of Jitters

If Bugs Baer were writing this, he'd compare the desert this week to a bowl of grape jelly.

For it quivered. It all started last Saturday morning about 4:15 a. m. when three earthquakes were felt here and in a wide area extending well beyond Riverside to the west and across the desert eastward. The first one was pronounced and the next more gentle rolling ones. San Geronio Pass district and the Hemet-San Jacinto districts reported the quakes of moderate intensity.

QUIET OVER WEEKEND

All was quiet with Mother Earth until early Monday morning. At about 3:45 a sharp tremor hit the southland from Ventura south. Another sharp earthquake was recorded at 4:15 a. m. This last one jolted up a wide territory. In between there were four minor jolts and all during the day Monday there were minor rollers. The disturbance extended into Tuesday with five during that day.

At the seismograph at the California Institute of Technology, Dr. Charles Richter, said that there were 27 shocks recorded Monday and Tuesday, only two of which, those early Monday morning were severe enough to do any damage.

ORIGIN NEAR HERE

It was reported that two plate glass windows were broken by the vibrations here early Monday and in one grocery store, bottles of catsup and other bottled goods and cans were tumbled from the shelves, the wreckage of the bottles making quite a clean-up necessary Monday morning.

Epicenter of the quake was reported 80 miles east of Pasadena bringing the origin close to this district. The tremors were reported heaviest in the San Geronio Pass and Hemet valley, near the mountains, districts.

Beautiful Home For Sale

Three master bedrooms and baths.
Large living room with fireplace and cozy library with fireplace.
Large dining room. Breakfast room.
Maid's room and bath.
Garage and caretaker's room and bath.
Cellar. Sun Deck.
Large palms and beautiful patio.
Plenty of ground and irrigation water.
Reasonably priced.

Telephone Pole Snapped Off When Wind Swerves Car

In an accident shortly before noon Saturday, an automobile in which Dan Platkin and Abe Goldberg were going to Los Angeles, struck a telephone pole on Highway 111, a short distance north of the city limits.

The impact broke the pole which fell across the highway.

Strong gusts of wind, which prevailed at the time, are believed to have thrown the car temporarily out of control.

Mr. Platkin and Mr. Goldberg were able to proceed on their journey and telephone employees had the road cleared within a few minutes.

Mr. Goldberg went to Pasadena where he succumbed later in the day to a heart attack. (See story, page one, column two.)

All's Well Again As Lost Pup Found, Returned to Owner

All's well again with Stella Rooke, Villager spending the summer in Nevada.

On a trip here last week to look after business interests, she lost her prized puppy "Fluffy."

A Villager picked up the pup and turned it over to Dr. O. B. McRory veterinarian, who identified it and notified Mrs. Rooke by wire.

There'll be a reunion this weekend.

While serving in the Navy, all business dictated to my account is credited to me.

Ups And Downs On Market List Even For Coming Week

Five advances and five declines mark the new top legal asking prices at retail for the rural area districts as announced today by H. G. Sandberg, OPA food pricing specialist. These will become effective on Thursday, and will continue through Wednesday, June 21. These are top prices with merchants in some centers able to cut these because of lower freight costs.

Prices and changes follow:

Lettuce (48 count large) 15c head; (60 count medium) 11c head; (72 count small) 10c head.
Tomatoes (field grown) 21c lb.
Carrots (full tops, minimum wt. 1 lb. per bunch) 9c bunch; (clipped top, loose) 6½c lb; (topped, loose) 6½c lb.
White cabbage 2 lbs 8c.
Red cabbage, 2 lbs 14c.
Peas, 19c lb.
Potatoes (1943 crop) 5 lbs 33c; (1944 crop) 5 lbs 28c.
Spinach (sold by weight) 10c lb.
White dry onions (1944 crop) 3 lbs 17c.
Yellow or brown dry onions (1944 crop) 3 lbs 17c.
Red dry onions (1944 crop) 3 lbs 19c.
White dry pickling and boiling onions (1944 crop) 3 lbs 27c.
Eggplant, 15½c lb.
Cucumbers (except hothouse) 14c lb.
Sweet potatoes, 2 lbs 37c.
Yams, 2 lbs 37c.
Kentucky Wonder snap beans, 18½c lb.
Yellow wax snap beans, 18½c lb.
Oranges, Valencia and Navel, bought packed, 5 lbs 54c; bought loose, 5 lbs 46c.
Grapefruit white, bought packed, 10c lb.
Lemons, bought packed, 5 lbs

Kamoa House Open All Summer, From Morn to Midnight

The Kamoa House at Tamarisk and Palm Canyon drive, in the Pacific building, will be open all summer, 8:30 in the morning to midnight, daily, George Briones, proprietor said.

The Kamoa House (House of Friends) features Chinese and American dishes except on Wednesdays when only American dishes are offered.

It is proving a cool place to dine for many Villagers these days.

Mrs. Ona Brown, well known Palm Springs hostess and socialite, left for the summer this week. Before returning to the Village she plans to visit Mexico City and then go on to New York.

63c; bought loose, 5 lbs 60c.
Bananas (in hands) 13c lb.
Apples all varieties (1943 crop) 2 lbs 25c.
Coconuts (in shell) 10c lb.
Strawberries, 34c basket.

George E. Oliver Now Lieutenant In Transport Service

George E. Oliver has been commissioned a second lieutenant in the Army Transport corps and is now at Camp Gordon Johnson, Fla., for final training.

His wife and son, Douglas Ray, aged 2, visited with him at New Orleans for six weeks while he was based there as a deck officer in the U. S. Maritime Service before the Army took over and organized the transport service.

Lt. Oliver was the highest in a class of 55 when he graduated from officers' school.

Donald B. Geggie Wins Commission

Donald B. Geggie former Villager and well known here, is now a second lieutenant, according to word received here.

He was commissioned at Officers' Training school at the army air field at Miami, Florida.

Officer, Stricken Here, Is Summoned

Capt. James H. Bracey, 26, U. S. Army, succumbed in Palm Springs Saturday after a brief illness.

Capt. Bracey was stricken here while enroute east to Staatsville, Ohio, with his wife and child and Mrs. Bracey's mother, Mrs. W. H. Crites.

TORNEY GENERAL HOSPITAL EVENTS

News of the Enlisted Men of the Medical and Quartermaster Detachments at Torney General Hospital, Palm Springs

By Pfc. Robert D. Price

ISLANDER IS TGH PATIENT

Torney General Hospital has in the past months seen the hospitalization of several GIs of Japanese extraction who have served, with distinction, in the Armed Forces of the United States.

A group of these Japanese-Americans was inducted into the service, in the Hawaiian Islands, before the declaration of war, by the United States on Japan and Germany.

WOUNDED IN ACTION

Such a person is S/Sgt. James F. Tani of Honolulu. Born in Kahului, Maui, of the Hawaiian Islands, Tani, with three years in the service behind him, is twenty-five years of age. He acted as platoon sergeant during the North African and Italian campaigns.

While making a strategic retreat with his platoon, Tani came across two Army officers who had been wounded in the engagement at Cassino. While helping these officers to the rear, the sergeant was wounded by a direct hit from machine gun fire.

BACK TO SCHOOL

A former student of the University of Honolulu, Tani is single and expects to complete his education after the war. His mother, Mrs. Sumi Tani, is at the present time a resident of Honolulu. Tani is an expert swimmer and during his student days was a member of the varsity swimming team of the university.

Sgt. Tani has a ready smile and is a good example of morale for patients of his ward. Interested in many things, he longs for the war to be over so that he may go back to his native islands and resume his educational work.

TRUTH IN THE NEWS

The weekly meeting of the TGH Forum was held at 1900 on June 2, in the Orientation Center, Bldg. 7.

The subject discussed was "Truth vs. Fallacy in the News." Cpl. Edna Livaudias, a member of our WAC Detachment, presided as chairman, and Pvt. Jack Spear, medical student, (EENT Dept.) was the summarizer.

JOLSON STAGES SHOW

The old Mammy singer himself, the king of 'em all, Al Jolson, gave and gave, and gave in the Recreation Hall Thursday.

Positively thrilling the audience of patients and duty personnel, Mr. Jolson, who today is one of the most vital men in show business, joked and sang his way with such fervor into everyone's hearts that he would still be there singing all his old hits if we had our way. "Mammy," "Sonny Boy," "Swanee," and "April Showers" transferred the Red Cross Building for just a short while into the Ziegfeld Roof, and those first-Nighters loved it—Mr. Jolson really wowed 'em!

CIVIE GIRLS GUESTS

The enlisted men of SCU 1976 played host to feminine civilian employees at the June dance held Tuesday night, June 13.

Novelty dances, music by the Torney Generals, and refreshments helped to highlight the evening activities.

The hop was held at the Ten-

Michigan Will Do Something About Wounded Veterans

Wanted—one reliable native of the state of Michigan to act as contact man for the governor of the Wolverine state and any Michigan boys who might be at Torney General Hospital.

Lt. Col. Phil C. Pack of the Office of Veterans Affairs of Michigan wrote to Chamber of Commerce here asking that they suggest some good Michigan native to assume the task of calling on Michigan boys in the hospital, bearing the greetings of the governor of Michigan and the desires of that state to be of aid to future plans and jobs.

Col. E. T. Thompson, of the Hospital staff, expressed himself as heartily in accord with the idea and will cooperate with the Chamber in the plan.

nis Court adjacent to the Recreation Hall.

AT BREAKFAST CLUB

Metropolitan Los Angeles newspapers of Thursday, June 8, carried a pictorial and written spread featuring the Wednesday meeting of the Los Angeles Breakfast Club. This is of particular interest to Torneyites as Lt. Col. E. T. Thompson, executive and Public Relations Officer, and six EMs, patients of Torney, were featured on the program and in the news stories.

At the breakfast meeting, Col. Thompson introduced Pvt. Paul Jackson, Pvt. Robert Silk, S/Sgt. Larry Hirokawa, Pfc. Charles D. Galyean, Sgt. Frank B. Leal and Cpl. Kenneth T. Murochige, all patients of Torney General Hospital.

SCREEN DIRECTORS COMING

Two Hollywood motion picture directors visited Torney General Hospital Monday, June 12, to make final arrangements concerning the new "Soldier Shows Stock Company" project and to schedule the first of a series of theatrical productions to be undertaken by the personnel of this post. Mr. Jules Dassin of Metro-Goldwyn-Mayer Studios and Mr. Arthur Lubin of Universal Studios met with the Special Services staff and those interested in Torney's dramatic activities; the problems involved in the proposed theatrical project were ironed out at that time.

Miss Milne Leaves For San Francisco

Miss Frances Milne, of the Desmonds Palm Springs staff will leave July 7 for San Francisco where she will visit with her sister, Mrs. A. D. Nichols of the Weinstock-Nichols Automobile company.

Mrs. Nichols spent the season here with Miss Milne at her home in The Plaza. Miss Milne plans to return to the Village Sept. 15.

Ride Fixer In Fix, He Has to Thumb Way to Village

For the past 16 months Fred Abst, meat cutter at Torney General Hospital, and a resident of Banning, has been making the trip daily except Sunday between this city and Banning. He was elected transportation committee chairman among civilian workers at Torney to arrange a "share-the-ride" program and figures he has fixed up the ride problems for more than 800 civilian workers in that time.

This week he asked his ration board to fix him up with some extra good walking shoes. His car broke down and he couldn't contact any of his share-the-ride groups.

He hitch-hiked from Banning to Palm Springs.

Air Base Officer Loses Life When Airplane Crashes

Flight Officer Walter N. McLatchy, 26, member of the 72nd squadron at the 21st Ferrying Group base at the army air field here, was killed when his airplane crashed near Mansville, New Jersey last week, according to announcement by Col. Richard D. Morgan, commanding officer.

The accident occurred a week ago yesterday while the pilot was on a routine flight.

He is survived by one child and his parents, Mr. and Mrs. Walter McLatchy of Ashland, Mont., where he was in the ranching and livestock business before joining the service.

Sgt. Goodale Wins General's Praise

Staff Sergeant George Goodale, well known here, who has been at the Ferrying Division headquarters at Cincinnati for the past few weeks on special duty in connection with Wac recruiting, was the proud possessor of a letter from the commanding officer of the Ferrying Division, ATC, commending him highly on his successful work.

Word of the honor going to Sgt. Goodale was received at the 21st Ferrying Group base this week.

Palm Springs Girl Among Redlands U. Degree Winners

Among the graduates of Redlands University to receive their degrees next Sunday will be Miss Mary Allen, daughter of Mr. and Mrs. Stuart D. Allen of Palm Springs. A graduate of Palm Springs high school, where she was prominent in dramatics, Miss Allen is a member of Beta Lambda Mu sorority at Redlands U. and a member of Webs, senior women's honorary service organization.

She majored in education at the university. Commencement week started at Redlands last Saturday. Commencement speaker next Sunday will Dr. Dwayne Orton, director of education for the International Business Machines corporation and an alumnus of Redlands University.

Change Hours For Building Permits Starting June 26

Starting on Monday, June 26, building permits will be issued daily, except Saturdays and Sundays between the hours of 1 and 3 p. m., Ray M. Sorum, city manager, said today.

At present, Arthur F. Wright, deputy building inspector, issues permits between 9 and 11 a. m.

Pay Telephone Bills before the 30th and receive your discount.

400 Autoists Are Stopped In County Check On Drivers

Two spots in Riverside county figured in the southland-wide automobile blitz last Saturday night and Sunday morning when more than 500 motor patrolmen, military police and shore patrol squads stopped and checked automobiles at 20 strategic points.

In Riverside county control stations were established on highway 99 just outside of Indio where 312 cars were stopped, 26 arrested and 65 warned, and in Riverside where 313 cars were checked, 21 arrested and 87 warned.

The check started at 9 a. m. Saturday and lasted until 2 a. m. Sunday. Most of the citations were for illegal lights, insufficient lights and faulty brakes but only two were arrested for driving while intoxicated.

Military police and shore patrol squads checked the validity of passes of soldiers and sailors in automobiles. The OPA did not participate in the county blitz.

No Points Needed For Odd Lot Shoes Between July 10, 29

The OPA is going into the Bargain Day business on a nation-wide scale.

It's latest ruling frees about 7,000,000 pairs of "odd lot" shoes from ration points between July 10 and July 29. The shoes must cost 25 per cent less than their price on June 1, the OPA decreed.

So if you can find any odd lot shoes, here's your chance.

It is estimated the odd-lot shoes comprise about 1 1/2 percent of the nation's shoe supply.

New Sugar Stamp Is Now In Effect

Another sugar stamp became effective today.

Sugar stamp No. 32 in Book Four joined stamps No. 30 and 31 in being good for five pounds of sugar. No expiration date has been set on any of the stamps.

Release of Stamp 32 follows the OPA policy of "five pounds per person every two and one-half months."

Twenty-Nine Palms Leader Loses Life

William H. (Bill) Campbell, leading citizen of Twentynine Palms and well known here to many, lost his life in a boating accident at Lake Tahoe, June 3, according to word reaching the desert this week.

Mr. and Mrs. Campbell have been exceedingly active in civic affairs at Twentynine Palms. They had left but recently for Tahoe for the summer.

*"You'd dig deep, pal,
IF YOU WERE ON A BEACHHEAD!"*

"War Bonds are a double-barrelled investment. They buy the stuff that helps us win the Victories. And they pay you back \$4 for every \$3 when they mature. So dig deep, pal! Buy double during the 5th War Loan Drive."

And don't forget War Stamps. Have you a partly filled album? Remember that you can exchange it when filled for an interest-bearing War Bond. Just bring it to Bank of America.

5th War Loan Drive June 12 to July 8

WAR LOAN
DRIVE!

"The show must go on!"

America acclaims the vallant troupers of the entertainment world who are bringing a laugh, a song and "a bit of home" to our fighting men. No camp too large . . . no lonely outpost too distant, too dangerous or too small . . . no hospital too inaccessible to receive cheering visits from these modern "wandering minstrels".

FREE ENTERPRISE is winning the PRODUCTION WAR

101 South E Street, San Bernardino, Calif.

HELL DIVING'S HIS JOB

..LENDING IS YOURS!

WITH GUNS BLAZING and a prayer in his stout heart, this American fighter is hell-bent on destruction of our enemies. HE is not thinking of how little or how much he's doing to help win the war. For him, the chips are down; but his fighting spirit is as high as the heavens from which his plane is diving.

In cramped foxholes and disease-infested jungles, on sun-scorched beachheads—under and over the seven seas—other Americans are matching his courage. And their name is legion. They KNOW that war is a bloody business; that their lives, as well as yours,

are now at stake. You cannot—you must not—let them down.

Is it asking *too much* of you to back these men up by buying more, and still more, War Bonds? There can be but one answer. You'll find it in your own heart.

And remember, too, as you dig deeper than ever before into your pocketbook or cash surplus, that the Fifth War Loan MUST raise 16 billion dollars. It is the *greatest* financing drive the world has ever known . . . to back up the *greatest* invasion drive the world has ever known.

And Here Are 5 MORE Reasons for Buying EXTRA Bonds in the 5th!

1. War Bonds are the best, the safest investment in the world!
2. War Bonds return you \$4 for every \$3 in 10 years.
3. War Bonds help keep prices down.
4. War Bonds will help win the peace by increasing purchasing power after the war.
5. War Bonds mean education for your children, security for you, funds for retirement.

When we were crossing the English coast, we were taken under heavy anti-aircraft fire which followed us all the way to London. Night fighters made life most uncomfortable.—Nazi bomber pilot on radio.

Superfuel to Speed Axis Defeat

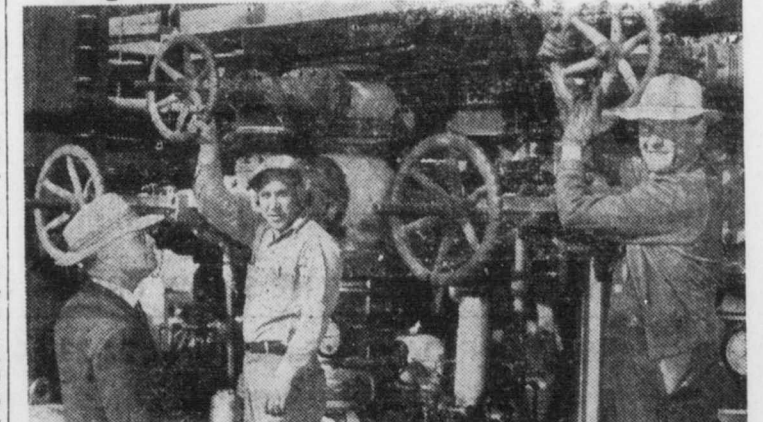

Photo shows Paul E. Sanders, general foreman of installation at General Petroleum Corporation's super 100-octane refinery in Torrance, California, with stillmen Frank Gifford and Henry Nash. They're manning valve that send the churning stock on its way as one of the steps in turning out super 100-octane aviation fuel.

In anticipation not only of meeting but exceeding the government's urgent request to establish a schedule of 937,000 barrels of 100-octane components during the next three months, the third and fourth units of the General Petroleum super 100-octane aviation gasoline refinery at Torrance, California, have just been completed and "out on stream."

The new units mark an important contribution to what is reported to be the world's greatest catalytic cracking program, a new development that is speeding victory for our armed forces by providing ingredients that enable our planes to take off quicker and fly farther with greater bomb loads than ever before.

For the duration, the armed forces have first call on this fuel. However, after the war it is planned to make these same ingredients available in gasoline for automobiles.

Eight Fires In May But No Loss, Report of Chief Leonessio

There were eight fires in the Village last month, Fire Chief Bill Leonessio's report, on file at the city clerk's office, and there was no loss attached to any of them. A year ago, there were seven fires during May and the loss was \$4,000.

George B. Hanson, General Passenger Agent For Southern Pacific, Honored At Dinner By Chamber of Commerce

George B. Hanson, general passenger agent for the Southern Pacific company—the man with a big job, handling the complicated war transportation problems in the southern district for the S. P. was guest of honor last night at a dinner tendered him by the Chamber of Commerce, at the Waikiki.

Leaders of civic organizations, railroad men and representatives of local army posts sat down at one of Joe Felix's excellent dinners to greet the visiting official. Mr. Hanson hopes to remain in Palm Springs four or five days, practically his first rest since taking over the arduous passenger transportation task.

Invited to meet Mr. Hanson were Mayor E. E. Theriault; Gordon Feekings, president of the Chamber of Commerce and commander of the Owen B. Coffman post of the American Legion; Fred Ingram, acting president of the Rotary Club; Charles Burket, president of the Lions Club; Tom Holland, general chairman of the Fifth War Loan campaign; Lt. Col. Edgar T. Thompson, representing Col. A. B. Jones, commanding officer at Torney General Hospital temporarily out of town; Major Albert E. Higgins, of the 21st Ferrying group here, Harold C. West, chairman of the Palm Springs Red Cross; Frank V. Shannon, president of the Masonic club; R. F. Graettinger, editor of The Desert Sun; Roy Medby, editor of the Limelight-News; J. B. Shea, traveling S. P. passenger agent; W. E. Wilson, passenger agent for the S. P. at Torney; Walter Kofeldt, executive secretary of the Chamber of Commerce; Capt. E. J. Brady,

transportation officer at the 21st Ferrying Group base; Lt. Fred Slater, transportation officer at Torney, and Dr. Frank Purcell, vice-president, Lions Club.

Mr. Shea introduced the guest of honor who promised continued cooperation of the S. P. with the Village.

Talks were made by Major Higgins, Mayor Theriault, F. V. Shannon and others.

President Feekings of the Chamber presided.

George Oliver Is Back in Charge of Oliver Malt Shop

George Oliver is again in personal charge of Oliver's Malt Shop at 282 North Palm Canyon drive, featuring giant malts and de luxe hamburgers.

Oliver, who started the business last year, has been leasing for the past few months but this week again took personal management.

Mrs. P. A. Staley and children and Mrs. Emma Hathaway have taken the Hopkins cabin at Idyllwild for the summer months. They will return to Palm Springs in the fall.

Portrait of the Week By BERNARD of Hollywood

Mrs. Bennett Will Visit Members of Family On Journey

Mrs. Frank Bennett is preparing to leave the Village for Ross, Calif., Chandler Ariz., and New York City on a trip which will keep her away for two months but which will bring her to members of her family scattered by the war effort.

First she is going to Ross where daughter, Deedee graduates from the Katharine Branson school. Deedee will accompany her east via Chandler, Ariz., where they will stop over to visit with Captain Frank Bennett at Williams Field.

From Arizona, Mrs. Bennett and daughter will proceed to New York where they will visit their son, a brother, who is in midshipman school at Columbia university. Miss Bennett will enter art school in New York.

Mrs. Bennett will be back in the Village this fall.

LeRoy Hooker Is Home Again After Stay in Hospital

LeRoy Hooker, prominent Villager and active in Community church work was returned to his home here Monday of this week from Loma Linda hospital where two weeks ago he underwent an appendectomy performed by Dr. I. W. Lynn.

Accompanied by Mrs. Hooker, Dr. Lynn went to Loma Linda Monday to bring Mr. Hooker to his home here.

Mr. Hooker's condition is reported highly satisfactory by Dr. Lynn today.

3 Permits During Week Boost Year's Record to \$47,779

Building permits dropped off slightly during the past week following two weeks of brisk activity which saw almost \$9,000 in permits issued by Deputy Building Inspector Arthur Wright.

Three permits were issued during the week for a total value of \$700, bringing the June permit record to ten permits issued with a valuation of \$5,965.

For the year to date, 118 permits have been issued, valued at \$47,779.50.

Permits issued this week were to:

June 9—Lloyd Thomas, repairs, \$300.

June 13—Dr. O. B. McRory, 395 Sunny Dunes road, repairs, \$200.

June 14—Armand Turonnet, at his building at 286 North Palm Canyon drive, repairs, \$200.

MORE ABOUT . . .

Gold Star Mother . . .

filled that vacancy by reminding us of our mothers."

VISITS HER "BOYS"

When asked to transfer her attentions to civilian girls who had moved into quarters on the post and needed a house mother, Mrs. Holloman accepted only when she was permitted to work broken hours so that each afternoon she could be free to visit her "boys."

Since her first day of hospital employment, Mrs. Holloman has pledged a good part of her salary for war bonds. From 10 percent she soon advanced her purchase to a bond a month, and then so that other sons might have fighting materials which her own son did not have at Bataan, she decided to buy two bonds each month.

CHANCE TO RETURN

"If we hoard money and lose the war, what have we gained? If we indulge our buying whims and help to bring about inflation, that too, is in a sense a national defeat. But if we save our money, and at the same time help send adequate supplies to our fighting fronts, then the war may be won sooner and more boys have a chance to come home," declares Mrs. Holloman.

Some time ago a member of her son's outfit, who with a few others had escaped by plane to Australia, brought word to Mrs. Holloman that after the fall of Bataan, her son had taken other men of his outfit into the hills to wage war by the side of Philippine Guerillas, so even though S/Sgt. Carlton L. Holloman is officially dead to the war department, to this Gold Star mother, he is still fighting the Japanese yoke in the deep jungles of Luzon.

Many Coming Into Village to Spend Desert Vacation

Last weekend was a busy one at the Palm Springs hotel and the entire month of June is well taken up with reservations.

Lt. George Sweeney, of the judge advocate's office, Washington, D. C. arrived this week at the hotel. He replaces Lt. William Briggs at the army air base. Lt. Briggs is returning to Cincinnati.

FROM HOLLYWOOD

The movie colony at Hollywood was represented by John Warburton, Zachary Scott and Robert H. Carter. In Mr. Carter's party were Mr. and Mrs. Maurice Ferrat of Hollywood and Miss Geri von Bergmann of Papeete, Tahiti.

Mrs. Oscar Wolchirk of Fresno is down for two weeks to be near her husband who is stationed on the desert. From Los Angeles came Mrs. Dean Christy and her daughter, accompanied by her sister, Mrs. Ward Roland and the latter's daughter, also from Los Angeles, for the weekend. Mrs. Christy expects to return later.

TO VISIT HOME

David Stocker Los Angeles manufacturing jeweler, plans to remain at the hotel through June. From San Pedro were Mr. and Mrs. Pietro de Carlo.

Ensign Kenneth Gurley, U. S. M. C., came here from Catalina on sick leave, planning to spend two weeks but after a few days here found an opportunity to fly back to his home city Atlanta, Ga., and snapped it up.

Loss of Mail Bag Delays Action On Auto Registration

If you filed application for automobile registration between April 17 and April 22 and haven't heard from the department of motor vehicles—contact the Riverside office of the department at once.

Loss of a mail bag containing 144 registration receipts on April 24 was given as the reason for the request. The lost bag contained receipts numbered from 243109 to 243252, inclusive. Fees paid by the applicants were not lost, as they had been tallied earlier and deposited in the bank, but the registration authorities cannot identify the applicants without the receipts unless duplicate applications are filed.

A large part of the applicants are believed to have been persons with non-resident vehicles, possibly military personnel temporarily residing in the Riverside area.

The Riverside office is at 3252 7th Street.
